supervisor deny the break.

FSW is not notified when the Justice Center has scheduled an interview/investigation- If you are notified that you have an upcoming meeting with the JC and you are an FSW member, please reach out to myself or Lennie if you would like union representation. Please do this as soon as you know the date and time so a union representative can make every effort to be there.

What to wear in the colder months:

Monroe County issues winter hats to staff with uniform. You are allowed to wear your own personal jackets and gloves to transition from one building to the next. You cannot wear your jackets once in the building. Monroe County does issue windbreaker jackets that are appropriate for inside the building when cold.
