CWA Convention

Dates attended:

8/10/25 - 8/12/25

What was the purpose/goal of the function?

Updates from different CWA committees + voting on different changes / resolutions

What did you learn and/or what significant information was shared at the function?

I learned how recent legislation is impacting unions + how CWA as a whole is working to push back

How is what you learned relevant to FSW?

Other locals from the public sector discussed issues they have been facing - like anti-union legislation in FL + struggles negotiating a fair contract in AZ. The local in AZ used a lot of the same tactics we did during negotiations like speaking at county leg meeting and were able to negotiate raises. She spoke about the importance of unity + engaging community partners.
